Position: Contract Psychotherapist

Midwest Psychiatric Center, Inc. is expanding. Seeking a full-time or part-time contract therapist to join a multidisciplinary mental health care practice in West Chester, OH.

Office space, supplies, and full-time support staff provided. Electronic Medical Record system provided. Conveniently located in West Chester, OH, very near I-75. Make your own schedule with options for in-office and remote work. Peer consultation available onsite. Reduced-fee EMDR consultation available onsite for those in training or pursuing advanced certification. Easily build a caseload with this already well established practice.

Qualifications and Details:

- 1099/Contract position
- Full or part-time
- Masters Level Clinician
- Independently Licensed and in good standing with Ohio licensing board
 - LISW, LPCC, LMFT, LICDC
- Experienced and knowledgeable in trauma-informed care
- Must carry own professional liability insurance
- Preference given to applicants with training in EMDR Therapy and/or Gottman Method for couples therapy

To apply:

Email cover letter and resume/CV to Leah Fogt, Coordinator of Psychotherapy Services at leah.fogt.lisw@gmail.com.
